Call to get on the list!  
Once opening day gets closer, we will call you to  
schedule your appointment.

The Wellness Clinic at JoJo's Natural Market offers a personalized wellness support through a non-invasive hair follicle analysis.

This test helps identify possible imbalances in vitamins and minerals, along with food and environmental sensitivities that may be affecting your overall health and well-being.

Our goal, after listening to your concerns and analyzing your test, is to help guide you toward choices that better support your body naturally.
