It's time for Spring Cleaning &  
we recommend starting with your  
Health

**A Vital Cleanse might be just what you need if you have:**

## Occasional Digestive Discomfort

Recurring gas and/or bloating or irregular bowel movements that does not resolve with dietary changes

## Persistent Fatigue

Parasites compete for nutrients, potentially contributing to low energy and difficulty recovering from everyday activities.

## Sleep Disruption

The gut and sleep are deeply interconnected, with the gut microbiome playing a crucial role in sleep regulation.

## Skin Issues

intestinal disruptions can show up as occasional rashes, hives, or itching.

## Nutrient Deficiency

Parasites intercept nutrients before your body can absorb them

## OPTIMIZE YOUR PROGRAM

For best results, we recommend the following products during & after ParaPURE:

**VITAL FIBER** - Promotes healthy bowel regularity, and helps absorb & carry impurities out of the body

**VITAL FLORA PROBIOTICS** - Promotes digestive balance & supports gut health

**VITAL LAX** - It's important you eliminate during any cleansing or detox program. If you deal with occasional constipation and Vital Fiber isn't enough, try Vital Lax
